ANTIQUE ENGINE & TRACTOR ASSOCIATION, INC.
September 2012 NEWSLETTER

From the Prez— - - - -

The fall show is just days away and there are still some opportunities for members to help with this years show. The Kids area along with some other areas are still needing some volunteers. We can always use extra help all around the show. The Thresherman's Dinner Tickets are still available. If you have not ordered them please remember to do so. Call Larry Goodwin, 309-945-8664 to get your tickets on either Friday night, Saturday night—- or both.

We will be planning the breakfast meetings in the coming months. At this time the dates are not yet set. The regular meeting date for October is already booked by another group. We will get the meeting date to you as soon as we can.

If you have some ideas for meeting topics, please let me know. I would like to try to bring speakers to the breakfast meetings that cover the topics that you would like to know more about.
